# Section 4 **Representative Engagement Groups**

#### 4.1 Background: Indigenous Accord

The Indigenous Accord 2020-2025 (the Accord) is Ipswich City Council's strategic framework for reconciliation and community governance with Traditional Owners and the Aboriginal and Torres Strait Islander communities. It contains targeted and specific actions and sets the agenda for cooperation, collaboration, engagement and partnership between Ipswich City Council, the Traditional Owners and the Aboriginal and Torres Strait Islander communities.

#### https://www.ipswich.qld.gov.au/\_\_data/assets/pdf\_file/0011/132023/ICC-Indigenous-Accord\_2020\_Web.pdf

The Accord is structured into seven themes identified by the Ipswich City Council Indigenous Accord Working Group and endorsed by Council:

- 1. Cultural Recognition, Respect and Community Engagement
- 2. Traditional Owners
- 3. Employment, Education and Skills Development
- 4. Business Development
- 5. Housing
- 6. Health and Wellbeing
- 7. Community Safety

Each theme begins with a preamble statement and then details the outcomes, actions, timeframes, and responsibilities under each theme.

The outcomes and actions within the Accord include provisions for engagement with a range of different demographics, including establishment of five Representative Engagement Groups. These five Groups as identified in the Accord are detailed in Table 2. Engagement with the additional demographics, including youth and the community organisations, is described in Table 3.

This Draft Engagement Guide supports the finalisation and/or further progression of the Representative Engagement Groups (as listed in Table 2) and sets out the process and governance around the meaningful and culturally responsive engagement between Council and these Representative Engagement Groups.

#### 4.2 Representative Engagement Groups

### 4.2.1 OUR ABORIGINAL AND TORRES STRAIT ISLANDER COMMUNITIES

The Accord includes provisions that cover the different demographics within the Traditional Owner, Aboriginal and Torres Strait Islander Communities, including the establishment of endorsed Representative Engagement Groups, each with their own unique role and responsibilities. The diagram below illustrates whether a Representative Engagement Group has a Policy and Strategic or Legislative responsibility. It also illustrates where Council and each of the Representative Engagement Groups roles are positioned.

Further information on council's responsibilities is provided in the Section entitled 'Council's responsibilities'.

The following sections describe the Representative Engagement Groups, their membership and their roles and responsibilities in engagement with Council.

## 4.3.2 GROUP 2: NATIVE TITLE AND CULTURAL HERITAGE ADVISORY GROUP

Crown 2. Notive Title	and Cultured Havitage Advisory Crown
Group 2: Native Title	e and Cultural Heritage Advisory Group
Accord References	<b>Outcome 2.2:</b> Council has an ongoing, productive and meaningful working relationship with the registered Native Title Party.
	<b>Action 2.2.1:</b> That council work with the Native Title Party to ensure Native Title and cultural heritage is protected.
Overview – Native	Native Title
Title and Native Title ( <i>future acts)</i>	<b>Native title</b> is the recognition under Australian common law of pre-existing Aboriginal and Torres Strait Islander people's rights and interests in land and waters, according to Traditional laws and customs.
	Native Title is administered by the <i>Native Title Act 1993</i> . The <i>Native Title Act 1993</i> creates an Australia-wide native title scheme, the objectives of which include:
	<ul> <li>providing for the recognition and protection of Native Title;</li> </ul>
	<ul> <li>establishing a mechanism for determining claims to Native Title; and</li> </ul>
	• establishing ways in which future dealings affecting Native Title ( <i>future acts</i> ) may proceed.

#### Group 2: Native Title and Cultural Heritage Advisory Group

Under the *Native Title Act 1993*, Native Title Claimants can make an application to the Federal Court of Australia to have their native title rights and interests recognised by Australian law.

#### Native Title Party

The Native Title Party for an area is defined as:

- Native Title holders that is where native title has been recognised by the Federal Court of Australia.
- Registered Native Title Claimants Native Title claims currently before the Federal Court of Australia.
- Previously registered native title claimants (the 'last claim standing') –
  native title claims that have been removed from the Register of Native
  Title Claims administered by the National Native Title Tribunal (NNTT).
  This is applicable where there is no other registered native title claimant
  for the area, and there is not, and never has been, a native title holder
  for the area. The native title party maintains this status within the
  external boundaries of the claim even if native title has been
  extinguished.

#### Applicant

The applicant is the person who is, or the persons who are, authorised by all the people in the native title claim group to make the native title application.

The Act provides that the applicant is a negotiation party and must negotiate with a view to reaching an agreement to the doing of the act that affects native title. If the negotiating parties reach an agreement, it has the effect of a contract, and is binding on any other person included in the native title claim group.

The *Native Title Act* does not contain any explicit requirement for the approval of the claim group. However, the practice of the National Native Title Tribunal (NNTT) suggests that some level of claim group consent is required.

#### Native Title (future acts)

A Native Title (future act) is a proposal to deal with land in a way that affects native title rights and interests. Future acts can include the making, amendment or repeal of legislation, and the grant or renewal of licences and permits.

The Native Title Act 1993 sets out procedures that governments must follow before proceeding with the future act. These vary, depending on the nature of the proposed act.

Council has endorsed Native Title (*future act*) procedures that ensure any/all acts affecting native title are done validly. In doing so, acknowledging the Applicants 'right to negotiate' where the right to negotiate applies.

Overview – Cultural	Cultural Heritage
Heritage	Cultural Heritage is controlled by both Commonwealth and Queensland legislation.
	Cultural heritage should not be confused with Native Title ( <i>future acts</i> ). Cultural heritage can exist on an area regardless of the nature of its land tenure.
	The Aboriginal Cultural Heritage Act 2003 stipulates that when cultural heritage may be impacted during construction processes, a program of mitigation and protection of surface and subsurface cultural heritage is to b undertaken through negotiation between the parties. This assists with meeting the requirements of the Duty of Care under the Aboriginal Cultural Heritage Act 2003.
	Duty of care is the guiding principle in the administration of the Aboriginal Cultural Heritage Act 2003. Section 23 (1) states that a person who carries out an activity must take all reasonable and practicable measures to ensure the activity does not have Aboriginal cultural heritage.
	Aboriginal <b>cultural heritage</b> is defined under Section 8 as anything that is:
	• a significant Aboriginal area, or
	• a significant Aboriginal object, or
	<ul> <li>evidence of archaeological or historic significance, of Aboriginal occupation of an area.</li> </ul>
	Section 9 defines a <b>significant Aboriginal area</b> as "an area of particular significance to Aboriginal people" because of either or both of the following
	Aboriginal tradition,
	• The history, including contemporary history, of any Aboriginal party for the area
	The Act recognises a range of features that have cultural heritage significance, such as ceremonial places, scarred or carved trees, burials, roc art, fish traps and weirs, occupation sites (including discarded stone tools, hearths, shell middens, etc), quarries, ochre sources and artefact scatters, grinding grooves, contact sites and wells. In addition, there are cultural landscape features that may involve significance including rock outcrops, caves, foreshores and dunes, sand hills, wetlands, waterholes and springs, some vegetation types, and hills and mounds
	The Aboriginal Cultural Heritage Act 2003:
	<ul> <li>provide blanket protection of areas and objects of traditional, customary, and archaeological significance</li> </ul>
	• recognise the key role of Traditional Owners in cultural heritage matter

	From <a href="https://aiatsis.gov.au/about-native-title">https://aiatsis.gov.au/about-native-title</a>
	<b>Prescribed Bodies Corporate (PBC)</b> The <i>Native Title Act 1993</i> states that when a native title determination is made, native title holders must establish a corporation called a Prescribed Bodies Corporate (PBC) to manage and protect their native title rights and interests. These corporations are called 'prescribed bodies' because they have certain prescribed obligations under the <i>Native Title Act</i> , including a requirement to incorporate under the <i>Corporations (Aboriginal and Torres</i> <i>Strait Islander Act) 2006</i> .
	All PBCs must be registered with the National Native Title Tribunal (NNTT). When a PBC is officially registered, it becomes a Registered Native Title Bodies Corporate (RNTBC). This makes it clear to other people and organisations that it is a corporation that manages native title.

Group 2: Na	ative Title and Cultural Heritage Advisory Group
	The main job of a PBC is to manage and protect native title on behalf of the native title holders. PBCs typically deal with a large number of matters, including:
	• future acts (proposals for work that will affect native title)
	<ul> <li>Indigenous land usage agreements (ILUAs - negotiations between governments, companies and the PBC about future developments on the land)</li> </ul>
	<ul> <li>exercising, negotiating, implementing and monitoring native title agreements</li> </ul>
	consulting with native title holders
	<ul> <li>consulting with and considering the views of relevant native title representative bodies (NTRB) and native title service providers (NTSP) for an area regarding native title decisions</li> </ul>

	• bringing future native title application cases in the Federal Court.

Overview	Traditional Owners and Traditional Custodians are terms often used interchangeably to refer to the original Aboriginal inhabitants of a specified area, who have inherited the traditions and customs associated to that area and are imbued with the custodial responsibility of continuing those traditions and customs and well as the management of sites and the environment.
	Traditional Owners are the descendants of the original Aboriginal inhabitants of the area and have ongoing spiritual and cultural ties to the land and waters where their apical ancestors lived. Ipswich City Council Local Government Area (Ipswich LGA) sits within the cultural landscape boundaries of the Yagara/Yugara Language Group.
	Council respectfully acknowledges all persons who identify as being a part of the Yagara/Yugara Language Group and who asserts cultural and spiritual connection to the lands and waters within the Ipswich LGA. At this time of

# Group 3: Traditional Owner Representative Steering Committee

	writing, there is currently a registered Native Title Claim with registered Indigenous Respondents attached to this Claim process. Aligning with the Human Rights Act 2019 and the UNDRIP 2007, Council is not in a position to pass judgement on the legitimacy of any one claim group over another in order to be culturally inclusive and ensure compliance with relevant legislative provisions, and is working in parallel to this process to afford a voice to Traditional Owners while the matter of the Claim remains in formal dispute.
	Ipswich City Council acknowledges the Jagera, Yuggera and Ugarapul People are the descendants of the original Aboriginal inhabitants and are therefore the Traditional Custodians of the Ipswich Local Government area.
	Ipswich City Council acknowledges and values the special cultural, spiritual and historical associations of the Jagera, Yuggera and Ugarapul people as the Traditional Custodian of Ipswich Local Government area.
	Ipswich City Council acknowledges the Jagera, Yuggera and Ugarapul People continue to maintain their spiritual and cultural connections to the land and waterways, as well as maintaining the continuance of the stories of the ancestors within their homeland estate.
	Irrespective of the outcome of the currently registered Native Title Claim, Ipswich City Council acknowledges that the Jagera, Yuggera and Ugarapul People have traditional laws and customs which are central to their cultural identity and of importance to the history and character of the local community.
	Many issues and items in regard to consultation and input from Traditional Owners, especially in relation to land management and rights, would historically be dealt with as part of an ILUA. In this instance, and in the absence of an ILUA, a number of these specific matters have been covered in the adopted Ipswich City Council Indigenous Accord.
	As per Accord Action Item 2.1.1 – it is proposed that a governance and collaboration framework be implemented with Traditional Owners to support an ongoing working relationship and dialogue through the establishment of a Traditional Owner Representative Steering Committee.
	The formation of a Traditional Owner Representative Steering Committee is an action item of the Ipswich City Council Indigenous Accord 2020 – 2025 and a commitment endorsed by Ipswich City Council. It's proposed this Representative Engagement Group would assist with meaningful and culturally responsive engagement between Council and the Traditional Owners during regular discussions and structured communications.

Overview	Ipswich's Community Elders are people who live and/or work in the City of Ipswich and undertake an important role in the civic and social life of our community. Ipswich's Community Elders include the Elders who were either born on the Missions (Deebing and Purga), those Elders who were born in the wider Ipswich area, and respected Torres Strait Islander Elders. They do not identify as Traditional Owners of the Ipswich area, as their ancestral lands (if known) are elsewhere in Australia.
	An Aboriginal and Torres Strait Islander Elder is a person with 'recognition within their community as a custodian of knowledge and lore, and who has permission to disclose cultural knowledge and beliefs. Recognised Elders are highly respected people within Aboriginal and Torres Strait Islander communities.' REF
	It is important to recognise that eldership is about understanding and culture, not necessarily age. It is customary to refer to Elders as 'Aunty' or 'Uncle'. It is seen as a title of respect and it is acceptable for a non-

	Indigenous person to refer to them this way. However, it is recommended to ask first if this is how the individual would like you to refer to them.
	Examples of Community Elder responsibilities and matters, relevant to Ipswich City Council, include:
	<ul> <li>Providing advice about issues affecting the community, including issues pertaining to the former Missions (Deebing Creek and Purga)</li> </ul>
	<ul> <li>Working to improve social outcomes (eg health, education, employment)</li> </ul>
	• Leading and participating in community events
	<ul> <li>Education and advocacy regarding Aboriginal and Torres Strait Islander history, culture, rights and reconciliation</li> </ul>
Members	<b>Community:</b> Respected Elders from the Aboriginal and Torres Strait Islander community.
	Council: Council membership may include:
	Councillors from the Community, Culture, Arts and Sport Committee
	Council Executives from the Executive Leadership Team
	<ul> <li>Council officers from Community, Cultural and Economic Development Department</li> </ul>
	Invited guests may also attend and engage as appropriate, for example council program and event officers.
